Cwestiwn i TRAFNIDIAETH CYMRU / Question for TRANSPORT FOR WALES **Lleoli tram hanesyddol yng Ngorsaf Pwllheli**. Ym marn y Cyngor Tref, mae digon o le yng Ngorsaf Pwllheli i leoli'r tram. Mae gan yr orsaf gysylltiad hanesyddol â chyfnod prysuraf y tram hefyd, sy'n ei gwneud yn lleoliad arbennig o addas. Yn ogystal, mae gan y Cyngor Tref gytundeb â The Solomon Andrews Trust y bydd y Trust yn cyfrannu at gost adfer y tram. Gobeithiwn y bydd y pwyllgor yn ystyried y cynnig hwn ymhellach, ac edrychwn ymlaen at dderbyn diweddariad ***Locating a historic tram at Pwllheli Station.*** *The Town Council view that there is sufficient space at Pwllheli Station to house the tram. The station also has a historical connection to the tram's busiest period, making it a particularly suitable location. Furthermore, the Town Council has an agreement with The Solomon Andrews Trust, whereby the Trust will contribute towards the cost of restoring the tram.* *We hope that the committee will consider this proposal, and we look forward to receiving an update.*
