

Cais i Bwyllgor Safonau Cyngor Gwynedd am Ollyngiad
Application to Gwynedd Council's Standards Committee for a Dispensation

Enw/Name LOUISE HUGHES DEMOCRATIAETHA

Cyngor/Council..... GWYNEDD 22.02.2011

Manylion y Buddiant/Details of Interest

My daughter Elys Gwenfair attends Ysgol Llanaeqryn. She is currently in year 5.

Ydy'r buddiant personol wedi ei gofrestru?/Has the interest been registered?..... Yes

A yw'r cais am ollyngiad cyffredinol neu a yw'n ymwneud ag eitem benodol mewn un cyfarfod?/ Is the application for a general dispensation or does it relate to a specific item in one meeting ?

..... General dispensation for Discussions on Dysinni catchment items.

A ydych am ollyngiad i siarad yn unig neu i siarad a phleidleisio/Do you require a dispensation to speak only or to speak and vote?

..... I am seeking a dispensation to be present in the Chamber.

O dan ba baragraff y gwneir y cais (gweler trosodd)/Under which paragraph is the dispensation sought? (see overleaf)

..... e + g

Pam yr ydych yn meddwl y dylai'r Pwyllgor Safonau ganiatau'r gollyngiad?/Why do you think the Committee should grant the dispensation? (Medrwcw barahau ar ddalen arall/ You may continue on a separate sheet)

Given that 2 schools/communities in my Ward now have no voice on their behalf to speak or vote on the schools re-organisation in the Tywyn catchment area I feel that to prevent me being in the Chamber during relevant debate is to emasculate me in my role as Elected Member. I have declared an interest (see above) and although I myself do not consider it either a pecuniary nor prejudicial interest I do acknowledge that others might see it differently. I would respectfully request that the Committee grants me dispensation to move to the public gallery so that I can, at least, have an overview on proceedings. In allowing me to remain in the Chamber I also think it would reflect positively on the Council as a whole as public feeling on this subject is almost resentful and I cannot contribute meaningful advice to my Ward unless I am able to
