To receive and consider a report by the Maritime Officer, Mr Barry Davies.

(Appendix 2 - Green Paper)

7. **Matters to be considered at the request of members on the Consultative Committee**

To receive at the request of the Aberdyfi Boat Club verbal reports from appropriate officers on the following matters:

- (a) Stones to be removed from the slipway – this makes reversing down very hard as stones fly back up and hit the boat. Sometimes it is hard to keep the grip on the slot.
- (b) Please can the Harbour Master's truck be parked somewhere else? Currently it is parked at the top of the slip thus adding another obstacle to reversing down the slipway. It is hard enough to reverse at the angle it is with the traffic and people walking passed (not to mention the onlookers). It is possible for the Harbour Master to park to the right of the office, on the Harbour itself.
- (c) Any chance of confirming the location of the hose pipe since it was mentioned that there is one by the offices on the front. With permission, is there any chance that the Boat Club could put a hose on it and make it for Club use only

8. **Date of Next Meeting**

To note that the next meeting of the Aberdyfi Harbour Advisory Committee will be held on Tuesday, 3 March 2009.
