EXISTING SITE PLAN

This drawing is the result of a planning application for the full control and use of the site. It should not be used as a construction drawing. The information shown is for reference purposes only. All dimensions should be thoroughly checked on site prior to commencement. In any instance the location of any boundary shall be confirmed and agreed with the adjacent owner. The position of the walls shall be confirmed on site. Further information given on adjacent property, all work shall be carried out in accordance with the Party Wall Act of 1996. All work shall be carried out in accordance with the British Standards Codes of Practice, B. M. 10. Control regulations and respective national standards. It is the client's responsibility to ensure that any structural design is thoroughly checked and verified by a structural engineer.
