Portfolio Director
Ambition North Wales

21 September 2022

Dear Alwen,

Thank you for your letter, dated 14 September 2022, regarding Menter Môn's proposal for funding from the North Wales Growth Deal's Low Carbon Energy Programme.

In principle, WEFO supports the submission of Menter Môn Morlais Ltd.'s ("MMM") proposal for funding from the North Wales Growth Deal. The matters already outlined in my letter to MMM, dated 15 August 2022 (a copy of which is attached to this letter with the permission of MMM), will still need to be addressed. However, we do of course acknowledge that these matters can only be addressed during the funding assurance and approval process outlined in your letter and look forward to receiving further updates on these in due course.

Please note that this letter is our agreement in principle to MMM developing its revised outline business case with you and shall not be construed as constituting a promise or warranty as to our future conduct or ability to provide further consents in relation to the Cydnerth project and/or the WEFO funding package with MMM. We look forward to continuing our discussions with you and MMM but would note that the continued engagement and dialogue process on the part of the WEFO should not be construed in any way as giving rise to any form of commitment or legitimate expectation in relation to such potential consent.

Yours Sincerely
