<b>YMATEBION</b>	<b>SYLWADAU</b>
Heddlu Gogledd Cymru	Amodau a Sylwadau
Iechyd yr Amgylchedd	Sylwadau

### 3.1 Amodau a Gwrthwynebiadau Arfaethedig gan Heddlu Gogledd Cymru

- 3.2 Cysylltodd Elizabeth Williams o Heddlu Gogledd Cymru â'r ymgeisydd i gynnwys yr amodau TCC arfaethedig (gweler ynghlwm). Bydd angen cyflogi staff drysau, sy'n gofrestredig â'r SIA, o 2100 ymlaen ar adegau lle mae'r eiddo yn agored ar gyfer busnes yn hwyrach na 2300 o'r gloch (nos Wener a nos Sadwrn). Bydd deilydd y drwydded/DPS yn cynnal asesiad risg i weld a oes angen Goruchwylwyr Drysau ar yr eiddo ac i gyflogi Goruchwylwyr Drysau, sy'n gofrestredig â'r SIA, os oes angen hynny.

Oriau Lleihau Gwerthiant Alcohol:

10:00 – 00:00 dydd Sul i ddydd Iau

10:00 - 02:00 dydd Gwener i ddydd Sadwrn

Bydd amseroedd ansafonol yn parhau fel y maent ar gyfer penwythnosau Gŵyl y Banc, gyda chaniatâd ychwanegol i alluogi hyd at ddeg digwyddiad bob blwyddyn (Sul i Iau) lle caiff yr eiddo weithredu hyd at 0200 gyda gwybodaeth a chytundeb ymlaen llaw gan yr Awdurdod Lleol a'r Heddlu.

Mae'r ymgeisydd wedi ymateb gan dderbyn y newidiadau uchod.

- 3.3 Mae Arolygydd Ian Roberts o Heddlu Gogledd Cymru wedi ymateb i'r cais gyda'r sylwadau isod:

Yn gyntaf, mae'n gadarnhaol i economi nos Bangor bod lleoliad newydd yn agor yn dilyn cyfnod cythryblus ar ôl COVID. Ochr arall y geiniog yw bod nifer yr ymwelwyr nos ym Mangor i'w weld yn cynyddu ac mae materion cyn-COVID yn dechrau ail-godi.

Mae fy sylwadau o ran yr amcanion trwyddedu canlynol:

- Atal trosedd ac anhrefn.
- Diogelwch y cyhoedd.
- Atal niwsans cyhoeddus.
- Amddiffyn plant rhag niwed.

Oriau Agor - Atal niwsans cyhoeddus.

Hoffwn ddeall y rhesymeg ynghylch agor am 7am.

Mae gennyf bryderon bod fflatiau preswyl cyfagos ac mae 2am i weld yn hwyr. Mae hyn yn debygol o arwain at gŵyn niwsans cyhoeddus o swm a dylid sicrhau bod ymgynghoriad gyda rhan-ddeiliaid lleol wedi'i gynnal.

Isadeiledd - Diogelwch y Cyhoedd.

Mae swyddogion sy'n gweithio yn yr economi nos eisoes wedi codi pryderon ynghylch y nifer o bobl yn y lleoliad hwn. Yn benodol, pobl sy'n mynd i Star Kebabs ar ôl i Glwb Nos Trilogy gau. Bydd agor lleoliad arall yn cynyddu nifer yr ymwelwyr ac, yn fy marn broffesiynol, yn cynyddu'r risg o farwolaeth neu anaf difrifol. Mae'r ddelwedd isod yn dangos y pryder. (Gweler y llun sydd ynghlwm).

### **3.4 Sylwadau gan Iechyd yr Amgylchedd**

- 3.1 Mae gan Iechyd yr Amgylchedd bryder nad oes gwybodaeth ddigonol wedi'i darparu yn Rhan M i gefnogi'r cais. Pryder am y synau sy'n dod o eiddo trwyddedig yn cael effaith ar eiddo preswyl cyfagos neu pan fydd sŵn yn trosglwyddo drwy strwythur eiddo trwyddedig i strwythurau cyfagos. Codwyd pryderon hefyd am synau o'r ardd gwrw. Dymuna Iechyd yr Amgylchedd i'r ymgeisydd ddarparu mwy o wybodaeth ar sut i atal sŵn rhag bod yn broblem (gweler ynghlwm am enghreifftiau). Codwyd pryderon hefyd nad oes gosodiad/cynllun ar y defnydd o strwythurau dros dro neu gyfleusterau awyr agored. Darparodd yr ymgeisydd fwy o wybodaeth i gefnogi sylwadau Iechyd yr Amgylchedd (gweler ynghlwm).
- 3.2 Yn ychwanegol i bryderon a godwyd gan Swyddog Iechyd yr Amgylchedd; cytunodd yr ymgeisydd yn ysgrifenedig i gynnwys mesurau ychwanegol yn yr atodlen weithredol er dibenion rheoli sŵn; wedi hynny, cafodd y gwrthwynebiad ei dynnu'n ôl.

## **4 ARGŶMHELLIAD**

Argymhellir i'r Pwyllgor hwn ystyried amodau a sylwadau'r Heddlu, ac amodau ychwanegol Iechyd yr Amgylchedd fel y cytunwyd gyda'r ymgeisydd; a chymeradwyo'r cais yn unol â Deddf Trwyddedu 2003.

In considering your application for a TENS the Public Protection Service seeks to ensure that the licensing objectives of public safety and preventing public nuisance are achieved.

I am concerned that sufficient information has not been provided in Part M to support your application. Problems usually arise when noise breaks out from a licensed premises, impacting on nearby residential properties or when noise is transmitted through the structure of a licensed premises to adjoining structures. Beer gardens are also a source of noise to residential properties surrounding the premises.

You may consider providing more information on how you are to prevent noise from being a problem, such as:

The building itself should also be considered in terms of its structure, design and layout. These factors may limit the choice of music or activities being undertaken at the premises or identify a requirement for future investment to prevent a noise nuisance.

Openings in the structure of the premises, such as windows, doors and vents will allow noise to escape easily. Openable windows must be kept closed during music events.

Consideration should be given to upgrading glazing to secondary or double glazing

Acoustic lobbies (double door system) to doors often provide a good degree of noise control and are particularly useful to minimise the variation in music noise caused when doors are frequently opened. Care should be taken that any door to a lobby on a fire exit route is still capable of easy and rapid opening in the direction of exit in the case of emergency evacuation. The sealing of the doors may prevent any sound leakage by making door airtight and reducing any sound transmission.

Consider appropriate location of speakers both inside (to reduce break out of noise from premises) and do not place speakers outside

You may also consider closing the outdoor area earlier than your licence hours.

In some circumstances, extensive specialist sound insulation works and tight control of the music noise levels are the only option.

In brief:

- You have not provided sufficient supporting information in Part M to prevent Public nuisance

- There is no layout plan/information on the use of any temporary structures or outdoor facilities.

Please be advised that this is not an objection to your application but we would like additional information on how you are to achieve the licensing objectives of public safety and preventing public nuisance before responding to the Licensing Department.

**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

The Licensee, shall ensure that all times when the premises are for any licensable activity, there are sufficient competent staff on duty at the premises for the purpose of fulfilling the terms and conditions of the licence and for preventing crime and disorder. The Licensee shall ensure that all staff will undertake training in their responsibilities in relation to the sale of alcohol, particularly with regard to drunkenness and underage persons. Records will be kept of training and refresher training.

**b) The prevention of crime and disorder**

Any incidents of a criminal nature that may occur on the premises will be reported to the Police. The Licensee will install comprehensive CCTV coverage at the premises and it is operated and maintained at the premises. The CCTV system shall conform to the following points:

1. Cameras must be sited to observe the entrance and exit doors both inside and outside.
2. Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
3. Cameras viewing till areas must capture frames not less than 50% of screen.
4. Cameras overlooking floor areas should be wide angled to give an overview of the premises.
5. Be capable of visually confirming the nature of the crime committed.
6. Provide a linked record of the date, time and place of any image.
7. Provide good quality images –colour during opening times.
8. Operate under existing light levels within and outside the premises.
9. Have the recording device located in a secure area or locked cabinet.
10. Have a monitor to review images and recorded picture quality.
11. Be regularly maintained to ensure continuous quality of image capture retention.
12. Have signage displayed in the customer area to advise that CCTV is in operation.
13. Digital images must be kept for 31 days.
14. Police will have access to images at any reasonable time.
15. The equipment must have a suitable export method, e.g. CD/DVD writer so that the police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy, if this format is non-standard (i.e. manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the video on the CD can be replayed by the police on a standard computer. Copies must be made available to Police on request.

**c) Public safety**

Appropriate fire safety procedures are in place including fire extinguishers (foam, H2O and CO2), fire blanket, internally illuminated fire exit signs, numerous smoke detectors and emergency lighting (see enclosed plan for details of locations). All appliances are inspected annually. All emergency exits shall be kept free from obstruction at all times.

**d) The prevention of public nuisance**

During the weeknights music will generally be played at an ambient level as food will also be served on the premises.

The front entrance has two doors to separate the bar area from the High Street. One door will always remain closed in the evening if music is being played at higher volumes on a weekend to reduce sound outside.

The rear of the premises has no windows, which will help reduce noise, it also has a rear lobby again with two doors with one first internal door on an automatic closer on which will remain closed in the evening when noise is at a higher level.

A noise monitor will be installed in the rear beer garden, if noise levels are excessive, we will close off the seating area in the beer garden leaving a smaller covered area surrounded by walls on three sides as a smoking area which will reduce the number of people outside and keep them away from neighboring properties. On a weekend a doorman will also be making regular visits to the beer garden to ensure there is no excessive noise.

No music will be played in the beer garden in the evenings.

Speakers inside the premises are mounted on walls and are pointing away from the doorways and windows.

Noise from the music on the weekend will be at a reduced volume later in the evening.

Friday or Saturday night is expected to be the noisier nights that will have to be conscious of as they will be the night's most likely to have a disco playing. During the week music will generally be ambient background music and the premises is likely to be closed at 11pm

All customers will be asked to leave quietly and respect the neighbors this will be sign posted and reminded regularly. We will have a doorman on the weekend who will also remind customers.

**e) The protection of children from harm**

The licensee and staff will ask persons who appear to be under the age of 25 for photographic ID such as proof of age cards, the Connexions Card and Citizen Card, photographic driving licence or passport, an official identity card issued by HM Forces or by an EU country, bearing the photograph and date of birth of bearer. All staff will be trained for UNDERAGE SALES PREVENTION regularly. A register of refused sales shall be kept and maintained on the premises.

Good afternoon Jason,

Thank you for taking the time to discuss your application for a Premises Licence with me this morning.

Can I ask that you view the below changes and acknowledge your agreement via email, once I have confirmation I can forward the document on to Gwynedd Licensing.

### Sale of Alcohol

1000-0000 Sunday to Thursday

1000-0200 Friday and Saturday

Non standard timings is to remain as is for Bank Holiday Weekends with an additional allowance to allow for up to Ten events per annum (Sun to Thu) whereby the premises can operate until 0200 with prior knowledge and agreement of the Local Authority and Police.

### Part M

Prevention of Crime and Disorder:

- SIA registered door staff to be employed from 2100 onwards on such times when the premises are open for business beyond 2300hrs (Friday and Saturday nights).
- The license holder / DPS is to risk assess the need for Door Supervisors at the premises and to employ SIA registered Door Supervisors in such numbers as deemed

necessary by the risk assessment or at any other times upon request of North Wales Police or Local Authority (e.g. rugby International's, event which will generate a higher demand).

As per our discussion I have simplified the conditions pertaining to CCTV, there are now 9 points rather than the 15 on your application. (I've kept in point 2 from your original list as it is a good use of CCTV and is a useful tool in identifying suspects as well as promoting crime prevention).

Please don't hesitate in contacting me if you have any questions.

#### CCTV Condition

1. Digital CCTV system will be installed and working to the satisfaction of the Police and Local Authority monitoring both the interior and exterior of the premises.
2. Cameras on the entrances must capture full frame shots of the heads and shoulders of persons entering the premises i.e. capable of identification.
3. In the case of the interior of the premises there will be sufficient cameras to cover all areas to which the public have access, with the exception of the toilets.
4. Lighting in the location must be of sufficient brightness and quality to identify persons within the location on the CCTV system.
5. The CCTV system will record and retain images of all times when members of the public are on the premises, for a minimum of 28 days.

6. Images will be surrendered on request of the police or local authority at the time the request is made and the premises will ensure they keep sufficient software available to comply with this condition.
7. There must be a minimum of one member of staff trained and available to download evidence at the request of the Police or an authorised officer at all times the premises are open.
8. CCTV warning signs shall be fitted in public areas of premises.
9. Recordings of incidents must be made secure for inspection by police.

**Pwnc:** Vaults Public House - Application Objection

Dear Liz / Gwenan

Hope your keeping well.

I would like to respond to the application to re-open Vaults Public House, High Street, Bangor.

Firstly, it is positive to the nighttime economy of Bangor that a new venue is opening following the turbulent post COVID. The flipside is that the nighttime footfall to Bangor appears to be increasing and pre-COVID issues are starting to re-emerge.

My comments are with regards to the licencing objectives of:

- The prevention of crime and disorder.
- Public safety.
- The prevention of public nuisance.
- The protection of children from harm.

### **Opening Hours – Prevention of public nuisance.**

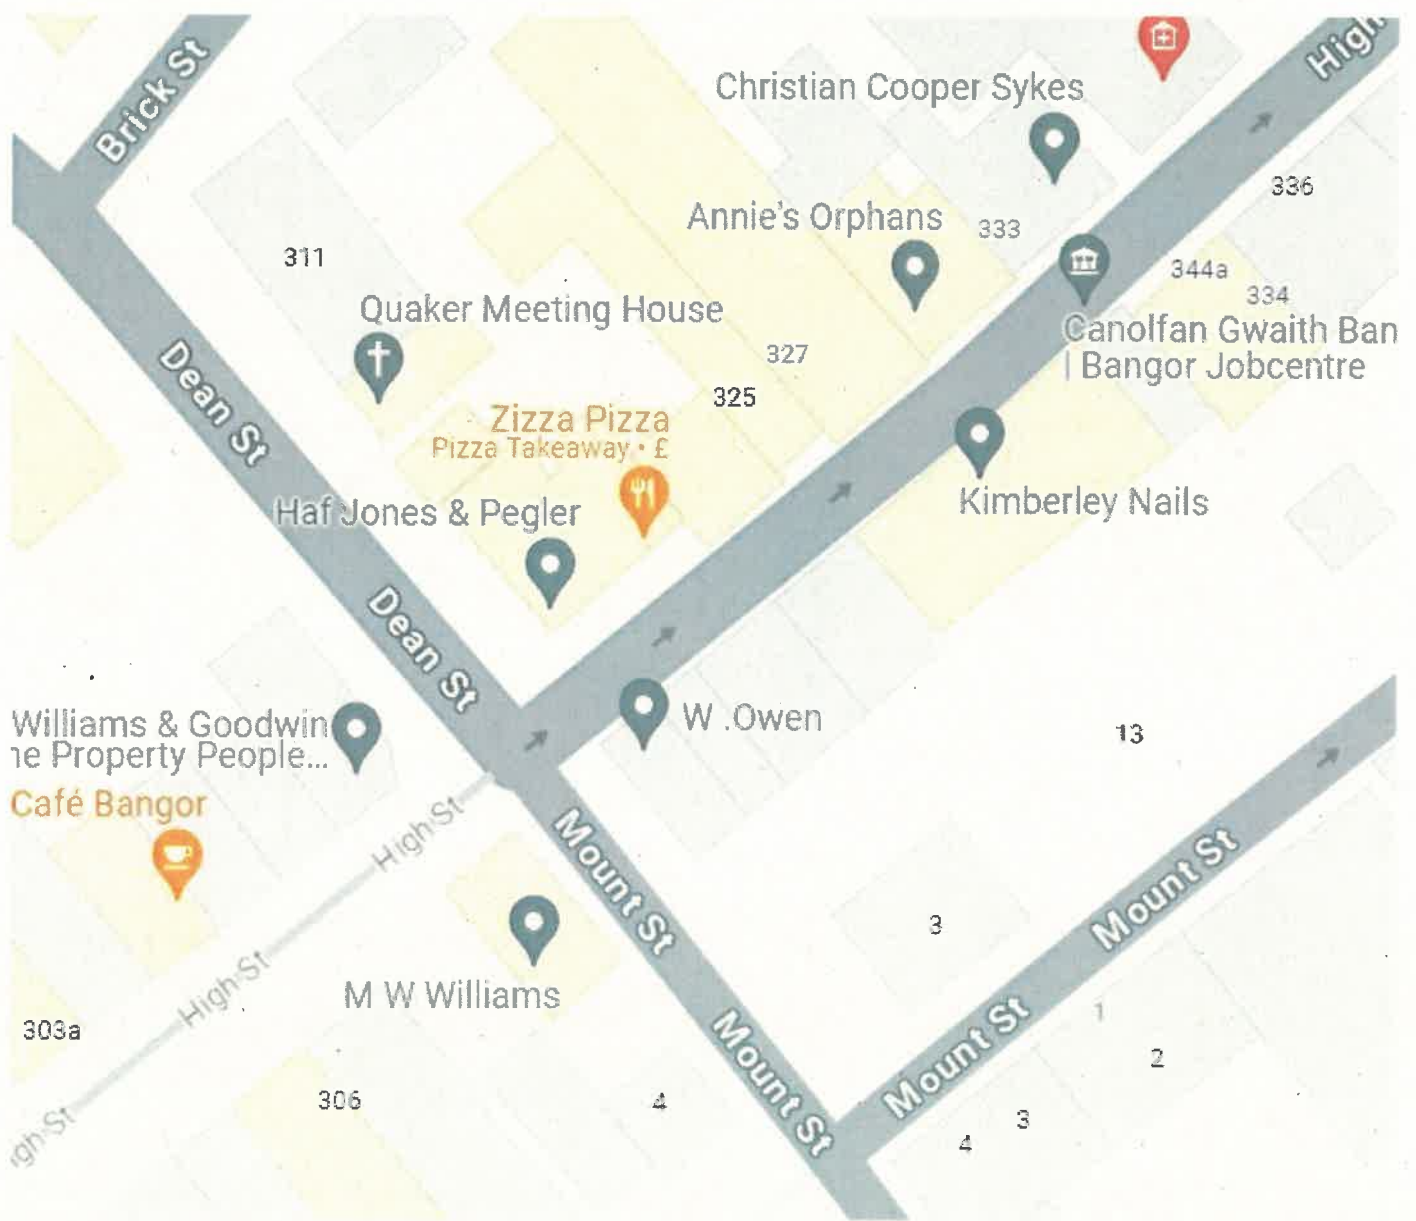

I would like to understand the rationale of opening at 7am.

I have concerns that are residential flats nearby and 2am appears late. This is likely to invite a public nuisance complaint of noise and ensure there has been local stakeholder consultation.

### **Infrastructure – Public Safety.**

Officers working nighttime economy have already raised concerns regarding the volume of people at this location. Specifically drawn into Star Kebabs following closing time at Triglogy Nightclub. Opening a further venue would increase footfall and in my professional opinion increase the risk of death or serious injury. The image below illustrates the concern.

If the local authority was to place bollards to prevent traffic during nighttime economy, this would be a sound control measure and there would be no objection.

Kind Regards,  
Ian
