• at least half of the members considering the business has an interest	<input type="checkbox"/>
• my inability to participate would upset the political balance of the meeting to such an extent that the outcome would be likely to be affected	<input type="checkbox"/>
• my participation would not damage public confidence	<input type="checkbox"/>
• the interest is common to me and a significant proportion of the general public;	<input type="checkbox"/>
• my participation in the business is justified by my particular role or expertise;	<input checked="" type="checkbox"/>
• the business is to be considered by a scrutiny committee and my interest is not pecuniary	<input type="checkbox"/>
• the business relates to the finances or property of a voluntary organisation of whose management committee or board I am a member and I have no other interest	<input type="checkbox"/>

5. Please explain below why you believe the Standards Committee should grant your application (i.e. why do you think that you should be allowed to be present as a member when the matter is discussed, even though you have a prejudicial interest?).

I believe the Standard Committee should grant my application for the following reasons:-

- 1) I have been involved in running the family caravan park for over 25yrs which is kept to a very high standard so I have invaluable experience in managing a park, & complying to the vast array of regulations which come with that role.
- 2) I am often asked for advice & guidance by the current managers as well as other trustees/committee members & I always provide this openly and honestly, and to the benefit of Y.C.P. of Y.C.P. \*
- 3) I have never taken advantage of my position for any financial or any other gain & have given my utmost to improve Y.C.P through increasing its revenue & satisfying customer needs.

Gobeithio bydd hysbysu i'r Cymdeithas, yn gywir.
