**Cwestiwn i TRAFNIDIAETH CYMRU / Question for TRANSPORT FOR WALES**

Er ein bod wedi cael cydnabyddiaeth o'n cwestiynau a anfonwyd yn ol ym mis Tachwedd a code reference, mae hi bellach bron yn Fis Ebrill a dim wedi cael ei weithredu.

Although we have received acknowledgment of the questions we sent back in November and a code reference, it is now almost April and nothing has been done

Dyma yr un hen gwestiynnau eto!!

**New: Talwrn Bach ar yr arwydd yn ogystal a Llanbedr. Byddai hyn yn dderbynniol cyn yr haf.**

**Bin ger y safle – ar y cyd gyda Cyngor Gwynedd (bin sbwriel a bin baw cwn)  
Barriers diogelwch ar y ffordd.**

**Gwelliant i'r Shelter – angen cryfhau y to fel nad yw yn gollwng dwr.**

**Cynllun i brynu map o lwybrau cyhoeddus er mwyn hyrwyddo rhain – fel yr un yn y Pentref, a'i osod ar gefn y Shelter.**

Here are the same old questions again!!

The name Talwrn Bach to be included on the sign as well as Llanbedr. This will be acceptable before the summer.

Bin near the site - jointly with Gwynedd Council (rubbish bin and dog waste bin)  
Safety barriers on the road.

Improvement to the Shelter - the roof needs to be strengthened so that it does not leak water.

Plan to buy a map of public paths in order to promote these - like the one in the Village, and to place it on the back of the Shelter.

A fydd gwell gwasanaeth tren yn y dyfodol?

Neu a fydd yna dal ansicrwydd parthed y toriadau posib l'r gwasanaeth at y gaeaf?

A fydd yna fwy neu llai o wasanaethau?

Will there be a better train service in the future?

Or will there still be uncertainty regarding the possible cuts to the service for the winter?

Will there be more or less services?

Cwyn wedi ei dderbyn parthed gwasanaeth tren sydd drwodd o Talwrn Bach i Birmingham, dechrau y mis. Yn anffodus bu i'r sawl fwcio y tren, ac yna gorfod newid ym Machynlleth a hefyd aros yn hir ar y platform yn Machynlleth am y tren cyswllt.

Nid oedd hyn yn dderbynniol – y sawl yn mynd efo teulu a hitha mewn cadair olwyn. Siomedig iawn iddynt.

A complaint has been received regarding a train service that is through from

<p><b>Talwrn Bach to Birmingham, at the beginning of the month. Unfortunately many people booked the train, and then had to change in Machynlleth and also wait a long time on the platform in Machynlleth for the connecting train. This was not acceptable - the person going with family was in a wheelchair. Very disappointing for them.</b></p>
